

CALL FOR VOLUNTEERS!

2019 IYAC / ACYI AGM and Conference, October 17th - 20th

Heart + Humanity ~ in Geetaji's Light

Join us in Winnipeg at the meeting of two rivers, where people have been gathering for thousands of years.

Held in the Canadian Museum for Human Rights, we will share memories of Geetaji's wisdom, compassion, fairness, and intensity and practice together in her Light.

As the host community, we will rely on volunteers to make this event unfold smoothly. You are invited to be involved in whatever capacity works for you, from an hour of putting prop packages together, to welcoming attendees to the beautiful Museum, to hosting a new Yoga friend as a billet in your home.

***If you are interested in volunteering, or have any questions, please contact Lisa Towson at lisa@tamarackyyoga.ca before March 30th.**

We look forward to sharing this experience with you! Thank you!
